Dear Scholarship Recipient of White Rock Chapter

Congratulations! White Rock Chapter membership has approved you for scholarship grant for spring semester at our recent Regular Meeting held on Monday, February 16, 2015.

I like to thank you and congratulate you for your extra effort to continue your higher education. I understand it is a time consuming, and it takes a lot of determination and commitment to continue education beyond high school. I understand what it takes because I, personally, have been there and experienced it.

In this 21st century, it is very important to continue your education in order to succeed, to obtain a college degree and to pave your way to a good career. You have my support as you are determined to learn and "go climb that ladder."

I understand you have a very busy schedule but I like to extend my invitation to you to our March 5th 2015 Chapter Planning meeting as we are planning to present amendment(s) to the White Rock Local Government Scholarship Policies and Procedures.

I also like to invite you to get involve with your Chapter and attend meetings when you can. Your community needs you.

Please share with others in your family. Again, congratulations and keep up the good work.

Sincerely,

Ramona Begay
Council President
